

Commander to a very demanding and active fighter wing, 388th FW, Hill AFB, UT, and to prepare him to later command his own wing, the 33rd Fighter Wing, Eglin AFB, FL. His boss, Lt General Gary North, tasked him to direct important sorties such as protection to POTUS, space shuttle and several deployments at home and abroad. General North also hand-picked Colonel Harmer for a demanding position in Iraq's Ministry of Defense where he led a highly specialized planning and training team, and advised the U.S. Forces-Iraq leadership on sensitive Arab-Kurd issues. Upon returning to the U.S., the Air Force continued to challenge Sledge by assigning him to one of the most demanding positions within the Air Force, his current job as the Chief of Air Force House Liaison. Since June 2010, Sledge has advised the Secretary of the Air Force, Chief of Staff of the Air Force, the Director of Legislative Liaison, and numerous other senior military and civilian leaders on issues of the greatest concern to HQ Air Force and the Congress. He has more than served as a liaison between the Pentagon and the Hill, he has developed and improved key relationships that help us make better decisions about the Air Force. He is extremely intelligent and articulate, and has helped shape my thinking and influenced many Members of Congress. Simply, we trust him!

Colonel Harmer is a command pilot with over 3,300 flying hours primarily in the F-15 and F-16. He is the recipient of the following major medals and decorations for his service and accomplishments: the Bronze Star, Legion of Merit, Defense Meritorious Service Medal, Air Force Meritorious Service Medal, Air Medal, Aerial Achievement Medal, Air Force Commendation Medal, Air Force Achievement Medal, Combat Readiness Medal, National Defense Service Medal, Armed Forces Expeditionary Medal, Southwest Asia Service Medal, Iraq Campaign Medal, Global War on Terrorism Expeditionary Medal, Korean Defense Service Medal, and the NATO Medal.

Throughout his distinguished career he has represented our country and Air Force with dignity and honor, and this is why I am so privileged to pay tribute to this fine Airman. Mr. Speaker, on behalf of the Congress and the United States of America, I thank Colonel Todd Harmer, his wife Stacie and their daughters, Jordan, Leigh and Erika, for their service and sacrifices over the past 26 years. I wish them Godspeed, and continued happiness as they start a new chapter in their lives.

RECOGNIZING JOHN GUALTIER

HON. BRUCE L. BRALEY

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Monday, June 18, 2012

Mr. BRALEY of Iowa. Mr. Speaker, I rise today to recognize John Gaultier of Vinton, IA for his years of service to veterans in Eastern Iowa.

John's service to the veterans and his community in Eastern Iowa has been a lifelong endeavor, as he's drawn on his own experience in war and battling PTSD to ensure that returning veterans are better served and that students are aware of the service and sacrifice their elders made in the Second World War.

At the age of 18, John served as an Army Medic in the European Theater of Operations where he saved many American lives and participated in the liberation of two concentration camps and a Russian POW camp.

Since 1995, John has logged over 7,000 hours of volunteer service at the Iowa City Veterans Medical Center visiting with his fellow veterans and drawing on his own experience battling post-traumatic stress to help them recover. John has worked with psychiatrists at the Medical Center to help them in treating servicemembers with PTSD returning from Iraq and Afghanistan. John has also donated money and vehicles to ensure that veterans have transportation to VA facilities for their care.

John's service to his community also extends to students at Vinton-Shellsburg and North Linn Schools where he has shared stories of his experience in the war for the past eight years. John has turned his difficult experience in war into a lesson for our community's youth.

For his work volunteering at the Iowa City VA hospital and sharing his experiences with students, John was honored earlier this year by Cedar Rapids' KCRG's "9 Who Care" Awards, and he was nominated to represent Eastern Iowa at the Jefferson Awards for Public Service, where he is a finalist for the Jacqueline Kennedy Onassis Award for "Outstanding Community Service Benefiting Local Communities."

As the son of a World War Two veteran, who landed on Iwo Jima when he was 17, I understand the service and sacrifice made by veterans like John. They truly are members of the Greatest Generation, and John deserves to be commended for continuing to serve after he returned home and turning his own trials from war into a learning experience for others.

Congratulations John for this well-deserved honor. Thank you for your continued service to our community and work on behalf of Veterans. You represent the best of Iowa, having served your country and community for over half a century. Keep up the good work.

COMMEMORATING THE 20TH ANNIVERSARY OF THE LEADERSHIP ALLIANCE

HON. CHAKA FATTAH

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Monday, June 18, 2012

Mr. FATTAH. Mr. Speaker, I rise today to commemorate the 20th anniversary of the Leadership Alliance. The Leadership Alliance, established in 1992, is a national academic consortium of leading research universities and minority serving institutions with the mission to develop underrepresented students into outstanding leaders and role models in academia, business and the public sector.

Through an organized program of research, networking and mentorship at critical transitions along the entire academic training pathway, the Leadership Alliance prepares young scientists and scholars from underrepresented and underserved populations for graduate training and professional apprenticeships. Leadership Alliance faculty mentors provide high quality, cutting-edge research experiences in all academic disciplines at the na-

tion's most competitive graduate training institutions and share insights into the nature of academic careers.

In the 20 years since its establishment, the Leadership Alliance has mentored over 2,000 undergraduates who have participated in the Summer Research Early Identification Program and over 200 alumni who have obtained their PhD (215) or MD-PhD (19) degrees as Leadership Alliance Doctoral Scholars.

More than 53 percent of Leadership Alliance early identification students enroll into a graduate level program versus the national rate of 40 percent enrollment into graduate programs. Of this 53 percent, 42 percent enrolled into or completed PhD programs. Of the 42 percent of students enrolling into doctoral training programs, 46 percent completed PhD programs and more than half of those were in the science, technology, engineering and mathematics (STEM) disciplines. Leadership Alliance institutions graduated approximately 25 percent of all biomedical sciences PhD degrees to underrepresented minority students in a five year time period (2004-2008), making it a leading consortium grantor of PhD degrees in the biomedical sciences in the United States.

In my district, over the past 18 summers, the University of Pennsylvania has hosted 210 undergraduates who were mentored by faculty and had an in-depth research experience designed to provide them with theoretical knowledge and practical training in research and scientific experimentation and other scholarly investigations.

Leadership Alliance Doctoral Scholars are diversifying the academy with 58 percent of them at research-intensive institutions. Doctoral Scholars also are engaging in career positions in government and industry. The Leadership Alliance has demonstrated its effectiveness as a model for identifying, training and mentoring underrepresented minorities who are poised to expand and diversify the base of the 21st century workforce.

I am pleased today to recognize the importance of sustaining efforts to invest in programs that identify, train and mentor talented underrepresented and underserved students; recognize the continued dedication of institutional leaders, faculty members, administrators and students across the United States and support their roles in the continued training and mentoring of underrepresented students along the academic pathway; and to congratulate and commend the Leadership Alliance, including the University of Pennsylvania, for 20 years of mentoring a diverse and competitive research and scholarly workforce.
